7th Annual CNY EMS Glow Golf Tournament

And 5th Annual
Miniature Golf Tournament!

Saturday, September 18
Hickory Hills Golf Course
Route 31, Clay, NY
Registration at 6:30 p.m.

What Is Glow Golf?

Glow Golf is a nighttime activity for avid or amateur golfers alike. A glow-in-the-dark golf ball, necklace and glow-stick are provided to each player.

Each team will play 9 holes of Captain and Crew format golf.

We've selected the course to minimize ball loss, but if ones does go into the water or trees, your team will have one extra glow-in-the-dark ball. Glow Golf is extremely fun, and our tournament is uniquely entertaining.

Why is it \$200 per team?

The entry fee covers and includes: green fees, walking cart rental, Glow Golf ball, glowing necklace, glow-stick, commemorative tournament logo items, a casual dinner prior to play and beverages throughout playing, door prize entry and an evening guaranteed to be fun and rewarding.

Best of all, Glow Golf is a *fundraiser* for the Central New York EMS program, which supports ambulances and fire departments all over Central New York.

What is Mini Glow Golf?

Mini Glow Golf is a tournament for miniature (or Putt-Putt) golfers; best for non-golfers, family participation and those who simply want to participate and have a blast!

The 18-hole miniature golf course will have designated scoring values. Players will receive a "package" similar to the Glow Golfers, including glow-in-the-dark novelties, meal and drink tickets and bonus prizes!
