INSTRUCTOR MODULE
TRAINING SLIDES

This Module is designed to assist CIC's in the new accreditation and tracking process of CME hours and programs with the CNYEMS Program.

This process is to be used for*:

- *Pilot Core Hours (outside of standard original/refresher courses)

- *In services

- *Miscellaneous Training, where CME credit is to be issued.

*For training not tied to a NYS DOH EMS Course, a curriculum, with outline, objectives, and intended number of CME hours must be submitted to CNYEMS 14 days prior to the date of the training.

To access the program, simply go to www.cnyems.org, and login.

Welcome...

Welcome to Central New York EMS. If you are a provider within CNY, please take the time to register with us. This will take only a few moments, and will be required for CME records to be completed. By doing so, you will also be able to see your current CME status within the program and take online protocol testing.

Points to Remember

- Please have all pertinent information filled out when requesting a class
- Make sure EMT #'s are entered correctly when adding students that attended a class.
- Once you “save” the list of students that have completed the class, you will not be able to add/delete/change it without going through the CNYEMS office.
