Re: Air Medical Services Clearinghouse Update

The Air Medical Services Clearinghouse will be starting its 13th year of operation on 1/1/2007. We would like to remind agencies and providers that the Clearinghouse is still the initial primary contact point for requesting air medical services for the above counties.

The Clearinghouse utilizes the nearest appropriately staffed and available aircraft. It is a coordinated centralized Clearinghouse for emergency air medical services.

Requests for services can be made by calling:
